

## Jiro Nagase

### Biography

Born in Tokyo Japan in 1990, Nagase lives and works in Tokyo. Taking primary interest to the material aluminum, Nagase's work explores the use, life, and becoming of an object – by both maintaining a neutrality in the production of the object and simultaneously allowing the wear that appears on the object during production.

- 2014 Master program, Tama Art University
- 2012 Faculty of art and design, Tama Art University
